

Kids of the Southwest Jr. Bassmasters April Tournament Update

We had a great turnout with 3 seniors and 8 juniors. The weather at Elephant Butte was not cooperating again as usual with a front moving through the day before and dropping the temperature dramatically. Nonetheless, the kids did their best and at the end of the day some nice bass were brought to the scales. In the senior division Jerry Cano weighed in a nice black at 2.58 pounds to take first. In the junior division R. J. Brewer captured the top spot with a monster 5.46 pound largemouth, and close behind was Brooke Ramsey with a great black weighing in at 2.92 pounds. Congratulations to all the competitors for challenging the lake on a tough day. A special thanks to all the boaters; Roger DiCamillo, Gene Limelin, Frank Ramsey, Chase Kemp, Bob Carver, EBBA, and the guys from Cedar Cove Bass Anglers; who always help with their time and money to get these kids on the water. Without their support this would not be possible. A big thanks to Petra Ramsey for assisting in the weigh-in, she was a big help.
