

Dear NMBFN Members,

After gathering input from the Directors, the NMBFN would like to handle pre-registration for those that cannot attend the registration/pairing meetings in the following format. Please keep in mind that this is for extenuating circumstances only, this is not to be abused. If the NMBFN feels it is being abused we will stop taking pre-registration.

The NMBFN will require, preferably someone from your club, attend the registration/pairings meeting as a proxy, AND PAY for anyone that is unable to get to the meeting. Having all the proper information and money to sign them up at registration is required. The entry form can be [downloaded from the NMBFN site](#) or emailed by request to [td@nmbfn.com](mailto:td@nmbfn.com). Complete the form and send money to registration with another club member. The NMBFN would like to see as many people as possible show up for registration and pairings. It is much easier that way.

- 1) They must sign a waiver stating they have read and understand the tournament rules, off limits, weigh-in times, etc. It will be the responsibility of the participant, not the NMBFN that all rules are followed.
- 2) Must fill out the [Official Entry Form](#) and pay entry fees and option pots up front.
- 3) Must sign a liability waiver form for 2012.
- 4) Once the pre-registration is completed you will be registered (no refunds).
- 5) Must contact TD well prior to launch, to discuss off limit areas, rules and their boater/non-boater for the day, preferably the night before the tournament.

For more information contact the NMBFN Tournament Director:
